Guidelines for Students during International Crisis

If there is an unexpected situation (e.g. natural disaster), you MUST "check in" with the group leaders as soon as possible.

1. "Check In" with the program leaders and go to Emergency Meeting Location.
2. If you cannot get in touch with the program leaders, contact the U.S. Embassy to "check in."

Communication Methods

1. If internet access is available, we will send emails and post messages.
2. If internet access is not available, we will leave messages at emergency meeting location.

Guidelines and crisis sequence for on-site international program directors during international crisis:

Please refer to the following steps and initiate as required based on the situation in country

Seek appropriate aid or medical treatment for any injured program participants. PLEASE consult with program guide on-site and emergency contact (as provided) for proper medical facility assignment

- Obtain Police report & Hospital records (if required)
- Account for all program participants (gather at a safe meeting place selected at the beginning of the program for this purpose).
- Contact all program participants as soon as possible to ascertain participants' well-being, and to provide information, instructions, and advice. (Refer to "phone tree" or list of participant mobile & hotel room numbers where applicable)
- Program Leader to contact a representative ASAP to advise of current situation and account of all participants in "safe zone"
- Program Leader will contact IBS (US based emergency contact provided) to advise of current situation
- A program Leader will contact US Consulate/US State Department (if required pending situation) to decide appropriate course of action. EVACUATION PLAN (if required) will be determined at this time with all appropriate agency channels involved.
- TEAM (university/ guides and agency) Confirm lines of communication, contact times and methods. Confirm responsibility for components of the crisis.
- Identify a liaison to contact all participant family member to advise of situation/ updates.
- University to establish a phone and e-mail list for use during the crisis and begin a log of events and people contacted or involved in the crisis.

Additional Notes:

All communication should be channeled through one member of the University staff overseas and one member of university staff in the US office. Limit access to the emergency situation to provide better care & protect the privacy rights of the individual or group directly involved in the problem.
